Dear Nili,

I trust this email finds you and Ehud doing well and enjoying wherever you are.
The attached letter is from my daughter Sarah, who's supporting the organization of a Conference on Cybersecurity addressed to Latin American Companies, to take place in Panama next spring.
They're reaching out to EB either as a speaker or for his advice on which companies could be interested in sponsoring the event.
I hope you don't mind me channeling this email (very difficult to resist a request from my princess).

I look forward to talking to you.
Warm regards to you and EB,
Gustavo
